

 Welcome to March! 

I feel so lucky to be a part of such a great group of wonderful women. It is hard to believe we only have 3 months left of our club year. I am excited to see what we will accomplish and look forward to celebrating at reciprocity on May 19th with a wonderful luncheon celebration.

"May love and laughter light your days, and warm your heart and home, May good and faithful friends be yours wherever you may roam."

MY LITTLE LIBRARY PROJECT UPDATE

The Free little library has been painted. Everyone that attended had a really fun time working together to design and paint it. Fun and cheerful images were used to encourage reading and draw kids in. Now it just needs a roof and a clear coat and it will be ready to install. More info to come!
